Invitation to Re-Bid Posted on City Website

CLEVELAND – The City of Cleveland has posted invitations to re-bid on the city's website for the following supplies and equipment:

- Personal Protective Equipment (jackets, knee/shin guards, gloves, body guards)
- Rental of Interlocking Steel Barriers

The Division of Purchases and Supplies is re-bidding the personal protective equipment listed above and the interlocking steel barriers due to a lack of response.

These items are being purchased as part of the city's continuing efforts to prepare for the Republican National Convention. Bid opening will be Wednesday, April 27, 2016. The bid invitations can be found on the City's website at the following link:

At this time, the City will only answer specific questions about the purchases from prospective bidders as part of the competitive bidding process. Future advisories will be issued as additional purchases are posted on the city's website.
